\* An **excess** applies under some sections of cover under this insurance, as shown in the Table of Benefits above. This means **you** will be responsible for paying the first part of any claim. All **excesses** shown for this policy are payable for each claim, per incident claimed for, under each applicable section of cover, by each **insured person**. However, please note:

- Subject to the provisions contained in 2. below, if **you** have paid the additional premium for "Excess Waiver", no **excess** will be payable except for claims under Cover Section N - Gadget Cover where the £50 **excess** will still apply.
- Any **excess** imposed by **us** because an **insured person** has an **existing medical condition** which **we** have agreed in writing to cover following **your** call to the Medical Screening Service will still apply even if **you** have paid the additional premium for "Excess Waiver".

\*\* Section G - Personal Accident – The benefit payable for death is reduced to **£5,000** if **you** are aged 15 years & under or 70 years & over. If **you** are aged 70 years & over there is no benefit payable for **permanent total disablement**.

## IMPORTANT INFORMATION

**The following is some key information about this insurance.**

**Please take the time to read it carefully.**

Throughout this Policy Document **we** use the terms “**you**” and “**insured person**” to describe the person(s) to whom cover is provided. Certain words shown in **bold** throughout this document have specific meanings and these are explained in the “Definition of Words” section at the end of the document. Some sections of cover contain additional definitions applicable to that cover section only.

This Policy Document is written in English and all other information and communications to **you** relating to this insurance will also be in English.

### Eligibility for this insurance

- This cover is for residents of the **United Kingdom**, the Channel Islands, the Isle of Man, or for members of the British Armed Forces only.
- Cover is only available if an **insured person** is aged 75 years or under on the date **you** purchase **your** policy.
- All **children** must be under the age of 18 (or 23 if still in full time education) on the date **you** purchase **your** policy. **Children** may travel independently from other adult **insured persons**. **Children** under the age of 18 years must have the permission of their parent and/or guardian and be accompanied by a responsible adult during the **trip**.

- The **trip** must be to a destination within the Area of Cover shown on **your** Policy Schedule.

- The **trip** must start and finish within the **period of insurance** shown on **your** Policy Schedule.
- Any **trip** within **your home country** must include at least 2 nights' booked accommodation.
- **You** must not be travelling against the advice of a **doctor** or where a **doctor** would have advised against **you** travelling had **you** sought their advice before beginning the **trip**.
- The **trip** cannot be undertaken for the specific purpose of receiving medical treatment during the **trip**.
- Where **you** have purchased Single Trip cover, the **trip** cannot be for more than 94 days.
- Where **you** have purchased Annual Multi-trip cover, **you** may take any number of **trips** within the **period of insurance** shown on **your** Policy Schedule but each **trip** cannot be for more than:
  - a) 35 days if **you** have purchased Premier cover; or
  - b) 60 days if **you** have purchased Premier Plus cover (or 35 days if an **insured person** is aged 70 years or over on the date **you** purchase **your** policy).

**Winter sports** cover is limited to a maximum total of 21 days for Premier cover or 45 days for Premier Plus cover, in the **period of insurance**.

- For Annual Multi-trip cover only: Any **trip** undertaken by an **insured person** who is a **child** and who is a student and normally resident in the Channel Islands or the Isle of Man can commence from the **child's home country** or their place of education in England, Scotland, Wales or Northern Ireland.

### When your cover starts and ends

- If **you** have chosen a Single Trip policy:

**Your period of insurance** is shown on **your** Policy Schedule and runs from the date **your** policy is issued until the completion of **your trip**.

  - Cover under Cover Section A – Cancellation starts from the date the policy was issued and ends when **you** leave **home** to start **your trip**.
  - The cover under all other cover sections starts when **you** commence **your trip** and ends when **you** complete **your trip**.
- If **you** have chosen an Annual Multi-trip policy:

**Your period of insurance** is shown on **your** Policy Schedule.

  - Cover under Cover Section A – Cancellation starts from the date of commencement of **your period of insurance** or, if later, the date any **trip** is booked, and ends when **you** leave **home** to start any **trip**.
  - The cover under all other cover sections starts when **you** leave **home** to start **your trip** and ends when **you** complete **your trip**.

### Expiry of your policy

If **you** have an Annual Multi-trip policy, **we** will write to **you** at least 21 days prior to the expiry of the **period of insurance** as shown on **your** Policy Schedule to advise whether **we** are able to offer **you** a further period of cover, and if so the cost and terms and conditions of further cover.

## Foreign, Commonwealth & Development Office (FCDO) advice

This insurance policy will not cover **you** for travel to a specific country or to an area where the Foreign, Commonwealth & Development Office (FCDO) advised against all travel at the time **you** purchased **your** policy or booked **your trip** (whichever is later).

## Existing medical conditions

There is no cover under this insurance for any claim arising directly or indirectly from any **existing medical condition**, as defined below, unless **you** have contacted **our** Medical Screening Service, and **we** have agreed in writing to provide cover and **you** have paid (if required by **us**) any additional premium.

An **existing medical condition** means:

- a) any respiratory condition (relating to the lungs or breathing) requiring a hospital admission or the use of a nebuliser and/or supplementary oxygen for which **you** have ever received treatment;
- b) any heart or heart related condition for which **you** have ever received treatment;
- c) any circulatory condition (relating to the blood or circulation) for which **you** have received treatment within the 5 years prior to **your** policy issue date;
- d) any malignant condition e.g. cancer for which **you** have received any diagnosis or treatment within the 5 years prior to **your** policy issue date;
- e) any **medical condition** for which **you** have received surgery, inpatient or outpatient treatment or had any tests or investigations in a hospital or clinic or have been seen by a specialist consultant within the 2 years prior to **your** policy issue date;
- f) any re-occurring health condition, or any other **medical condition** which within the 2 years prior to **your** policy issue date has been treated in hospital or has been referred to a specialist or for which **you** are waiting for any tests or treatment of any description, or for which **your doctor** has altered **your** regular prescribed medication in the 6 months prior to **your** policy issue date;
- g) any terminal condition;
- h) any symptoms that are or should be under investigation for a condition that has not yet been diagnosed.

## Changes in the health of an insured person

If an **insured person's** health changes after **you** purchased **your** policy but before **you** commence **your trip** (or in the case of Annual Multi-trip cover before the date of departure on **your next trip**), **you** must contact the Medical Screening Service for further advice and to discuss **your** options. Contact details are given on page 4.

Changes which **we** need to know about are:

- where new medication or a change in regular medication has been prescribed;
- where there has been a deterioration of a previously stable condition;
- where an **insured person** has been referred to a specialist;
- where an undiagnosed condition is being investigated; or
- where an **insured person** is awaiting treatment/consultation.

**We** will then tell **you** if **we** can cover an **insured person's medical condition(s)** free of charge or for an additional premium.

If **we** cannot cover an **insured person's medical condition(s)**, or **you** do not want to pay any additional premium quoted, **we** will give **you** the choice of either:

- making a cancellation claim for any pre-booked **trips**; or
- cancelling **your** policy and receiving a proportionate/partial refund, provided that **you** have not made a claim or are about to.

## Pregnancy

If **you** are pregnant, **you** will be covered under the standard terms and conditions of the policy during weeks 0-28 inclusive of the pregnancy. From the start of week 29 to week 40 inclusive of the pregnancy, there is no cover for claims relating to pregnancy or childbirth unless one of the following medical complications of pregnancy arise:

Toxaemia, gestational hypertension, ectopic pregnancy, post-partum haemorrhage, preeclampsia, molar pregnancy or hydatidiform mole, retained placenta membrane, placental abruption, hyperemesis gravidarum, placenta praevia, stillbirth, miscarriage, emergency caesarean, a termination needed for medical reasons, or premature birth more than 12 weeks (or 16 weeks if **you** know **you** are having more than one baby) before the expected delivery date.

Please note **we** will not cover denial of boarding by a carrier so **you** should check that **you** will be able to travel with the carrier/airline in advance.

It is essential, if at the time of booking a **trip** **you** are aware that **you** are pregnant, that **you** ensure that **you** are able to have the required vaccinations for that **trip**. No cover will be provided for cancellation of the **trip** in the event that after booking **you** discover that travel whilst pregnant is advised against or **you** are unable to receive the appropriate and required vaccinations for that country.

## **The health of individuals with whom you are travelling or have arranged to travel, a person with whom you have arranged to reside temporarily, or a close relative or close business associate, who are not insured under the policy**

If, at the time **your** policy started or at the time of booking a **trip**, whichever was the later, any person on whom the **trip** depends including the person with whom **you** are travelling or have arranged to travel, a person with whom **you** have arranged to reside temporarily, or a **close relative**, friend or **close business associate** had a **medical condition** for which he or she:

- was receiving treatment at hospital (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand); or
- was waiting for a hospital consultation, investigations or treatment (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand); or
- had been given a terminal prognosis, or been told that their condition is likely to get worse in the next 12 months,

**we** will not pay for any claim **you** make under Section A - Cancellation or Section D - Curtailment/Loss of Holiday, that relates in any way to the **medical condition** of that person.

### **Claims for reimbursement of costs**

Under cover Sections A - Cancellation and D - Curtailment/Loss of Holiday, **we** provide cover for **unrecoverable costs**. If **you** need to make a claim for travel, accommodation or related costs which **you** have paid, or agreed to pay, **we** will consider claims for **your** costs which are unrecoverable from **your** travel and/or accommodation provider or agent, **your** debit/credit card company, PayPal, ABTA or ATOL (or similar organisations). For example, if **your trip** is cancelled by **your** tour operator or booking agent **you** may have a right to a refund from them for some or all of the cost of **your trip**. If **you** are not able to recover all of **your** costs and **your** circumstances are covered by the terms of the policy, **we** will consider costs **you** have been unable to recover.

In the event that **you** have paid for a **trip** on behalf of other individuals not insured on this policy please be advised that **your** policy only provides cover for **your** proportion of **trip** costs, as opposed to the amount **you** have paid on behalf of others.

### **USA medical costs**

Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. It is important that **you** do not pay any medical providers up front, either at the time of **your** treatment or on **your** return to **your home country**. Medical providers may engage the services of collection agencies but any correspondence should simply be sent on to **us**, unanswered: there is no lawful action that can be taken which **we** cannot step in and take over on **your** behalf. Please contact the 24hr Emergency Medical Assistance helpline as soon as possible in the event of an **illness** or injury and do not pay for the costs of any treatment **you** receive.

### **Trip extensions**

#### **Trip extensions if you decide you wish to extend your trip whilst overseas**

If **you** have chosen a Single Trip policy and, having started **your trip**, **you** decide **you** want to extend **your** policy either:

- a) beyond the allowed maximum of 94 days ; or
- b) beyond the expiry date of **your period of insurance** as shown on **your** Policy Schedule

OR

If **you** have chosen an Annual Multi-trip Trip policy and, having started **your trip**, **you** decide **you** want to extend **your** policy either:

- a) beyond the allowed maximum number of days per **trip** i.e.
  - i) 35 days if **you** have purchased Premier cover; or
  - ii) 60 days if **you** have purchased Premier Plus cover (or 35 days if an **insured person** is aged 70 years or over on the date **you** purchase **your** policy); or
- b) beyond the expiry date of **your period of insurance** as shown on **your** Policy Schedule,

please contact the **policy administrator** – contact details are given on page 4 of this Policy Document. **You** will be asked some questions and the **policy administrator** will tell **you** whether or not an extension can be granted.

#### **Trip extensions if you are unable to return home from your trip as planned**

If, due to unexpected circumstances beyond **your** control, for example, due to **illness** or injury or unavoidable delays affecting **your** return flight or **public transport**, **your trip** cannot be completed within the **period of insurance** stated in **your** Policy Schedule, cover will be extended at no extra cost for up to 30 days. This also applies to one person travelling with **you** who is authorised to stay with **you** by Healix Medical Assistance Services if the extension is due to medical reasons. All requests for more than 30 days extended cover must be authorised by Healix Medical Assistance Services. Contact details are given on page 4 of this Policy Document.

## IMPORTANT INFORMATION YOU HAVE GIVEN US

In deciding to accept this insurance and in setting the terms and premium, **we** have relied on the information **you** have given **us** via the **policy administrator**. **You** must take reasonable care to provide complete and accurate answers to the questions asked when the insurance is taken out or amended. If the information provided by **you** is not complete and accurate:

- **we** may cancel the insurance and refuse to pay any claim, or;
- **we** may not pay any claim in full, or;
- **we** may revise the premium, or;
- the extent of the cover may be affected.

**We** will write to **you** if **we**:

- intend to cancel the insurance; or
- need to amend the terms of the insurance; or
- require **you** to pay more for this insurance.

If **you** become aware that information **you** have given is incomplete or inaccurate, **you** must inform the **policy administrator** as soon as possible. Contact details are given on page 4 of this document.

## POLICY EXCESS

An **excess** applies under some sections of cover under this insurance, as shown in the Table of Benefits on page 3. This means **you** will be responsible for paying the first part of any claim. All **excesses** shown for this policy are payable for each claim, per incident claimed for, under each applicable section of cover, by each **insured person**.

**Your excess** may be increased if, following **your** call to the Medical Screening Service, **we** have agreed in writing to cover any **existing medical condition(s)** an **insured person** has (including anything directly or indirectly related to the condition(s)).

If **you** have paid the additional premium for 'Excess Waiver', please read the "Excess Waiver" section below for details of how this impacts any policy **excess(es)** payable.

## EXCESS WAIVER

If **you** have paid the additional premium for 'Excess Waiver' then, subject to 1. and 2. below, **you** will not have to pay the policy **excess** which **you** would otherwise have been required to pay for each claim, per incident claimed for, under each applicable section of cover, by each **insured person**.

However, please note:

1. The policy **excess** will still apply to any claims made under Cover Section N – Gadget Cover; and
2. Any **excess** imposed by **us** because an **insured person** has an **existing medical condition** which **we** have agreed in writing to cover following **your** call to the Medical Screening Service will still apply.

## WHAT TO DO IN A MEDICAL EMERGENCY

**PLEASE NOTE: This is travel insurance and not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.**

### IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

**You** should receive emergency medical treatment or management regardless of ability to pay or any other consideration. A failure or refusal by a treating hospital or treating **doctor** to provide emergency treatment, management or care is a clear breach of an established duty of care.

### YOU SHOULD THEN CALL HEALIX MEDICAL ASSISTANCE SERVICES ON +44 (0) 203 869 1108\*

Whilst the actual medical care **you** receive is in the hands of the local **doctors** treating **you**, Healix Medical Assistance Services can obtain the medical information needed from them to establish what is wrong, as well as their treatment and discharge plans. Healix Medical Assistance Services can support **you** in the event **you** are admitted to a facility that may not be suitable for **your** clinical needs or where there are concerns over practice.

Healix Medical Assistance Services will then advise on, and can put in place, suitable **repatriation** plans to get **you home** as soon as it is medically safe to do so. Healix Medical Assistance Services will liaise with the treating **doctor** to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of **repatriation** that is best suited to **your** individual needs and **your** recovery.

Healix Medical Assistance Services understand that an immediate contact could be difficult. If **you** are travelling alone and cannot make a call personally, please ask a representative from the hospital to call Healix Medical Assistance Services with **your** details as soon as possible. Healix Medical Assistance Services can then offer any useful information and translation requirements to the hospital and **you** can concentrate on getting better.

\*Please note - calls may be recorded and/or monitored for quality assurance, training and as a record of the conversation.

### Medical Treatment

There is no cover for:

- routine, non-emergency or elective treatment
- or treatment that can wait until **you** return **home**.
- Healix Medical Assistance Services **doctors** are not treating **you**; they are not responsible for or in control of the clinical care **you** are receiving in a medical facility.
- In some instances, **you** may need to be moved from one local facility to another larger/ more specialised facility, for treatment.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility. Much like the NHS, emergency service rooms can be busy at certain times and so it is possible **you** may have to wait as **you** would in a local NHS hospital unless **you** require critical care.
- Once **you** are discharged from hospital this does not always mean **you** are fit to fly **home** - for example, if **you** were in the **United Kingdom** and suffered the same injury/**illness**, then **you** would not consider flying out on holiday so soon after surgery/treatment/an incident.
- Some medical facilities will raise charges that are far in excess of what is customary and reasonable; Healix Medical Assistance Services will deal with such bills directly and there is no need for **you** to pay them. **You** simply need to pass any correspondence about such bills to Healix Medical Assistance Services to ensure Healix Medical Assistance Services can provide full financial protection.

### Repatriation (bringing you home)

- Coming **home** straight away is not always an option even if **you** are considered 'fit to fly' by the treating **doctor**.
- Healix Medical Assistance Services have a medical team with experience in aviation medicine who will advise on both the timing and method of **repatriation** which is best suited to **your** individual needs and recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change - if **your** health, stability or vitals change - then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the **United Kingdom**, the Channel Islands or Isle of Man if treatment is not possible where they are.

## OUT-PATIENT OR TREATMENT FOR A MINOR INJURY OR ILLNESS

**PLEASE NOTE: This is travel insurance and not private medical insurance; so there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.**

### For a non-urgent medical situation

That is something **you** would normally see **your** GP or minor injuries unit for, so **you** don't need to attend hospital but do need some medication to treat a non-emergency situation. Like what? Poorly **child** with tonsillitis? Infected cut on the foot?

If **you** need to see a **doctor** ask locally for the nearest public/state medical facility or seek advice on where to go for treatment from Healix Medical Assistance Services on:

**+44 (0) 203 869 1108**

### Optimal care

In **our** experience the access to the best **doctors**, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) is limited to state facilities. They don't always look as nice, but **we** have experience of good clinical outcomes within a regulated environment without the risk of a patient's health being compromised over commercial interest or immoral and dangerous practices such as extortion, detainment and withdrawal of treatment which **you** are unlikely to find occurring in state facilities.

### In the event that you do receive out-patient treatment when you are travelling

Using these agreements below in public facilities will mean that medical treatment will be free, or at a reduced cost, and **your excess** will be waived from any claim **you** may make. If **you** are unable to use the UK Global Health Insurance Card (UK GHIC)/European Health Insurance Card (EHIC), **you** will have to pay the medical facility and submit a claim when **you** get **home**, the **excess** will then be applied.

**In European Union Countries** – if **you** present at a public facility, **you** are strongly advised to show **your** UK Global Health Insurance Card (UK GHIC)/European Health Insurance Card (EHIC).

**In Australia** – **you** are strongly advised to enrol for Medicare, and have it accepted.

**Everywhere else in the World** – if there is not a suitable public facility that will treat **you** free of charge, **you** can pay the medical facility and retain all receipts so that **you** can make a claim upon arriving **home**.

### Please note:

If **you** are admitted to hospital, **you** should call Healix Medical Assistance Services on: **+44 (0) 203 869 1108**

## GENERAL CONDITIONS

**These conditions apply to the whole of your insurance. Under some individual sections of cover there are also "Special Conditions Relating to Claims" under that section of cover.**

**Where any condition requires an action by you and you do not meet the condition, your claim may not be paid or not paid in full.**

1. **We** may refuse to pay any expenses for which **you** cannot provide receipts or bills.
2. **You** cannot transfer **your** rights under this policy but **we** may ask **you** to transfer **your** rights to **us** to enable **us** to take proceedings in **your** name for **our** benefit.
3. If, at the time of a valid claim under this policy there is another insurance policy in force which covers **you** for the same loss or expense (for example a Home Contents Policy), **we** may seek a recovery of some or all of **our** costs from the other insurer. **You** must give **us** any help or information **we** may need to assist **us** with **our** loss recoveries.
4. **We** take a robust approach to fraud prevention in order to keep premium rates down so that **you** do not have to pay for other people's dishonesty. If any claim made by **you**, or anyone acting on **your** behalf, is fraudulent, deliberately exaggerated, or is intended to mislead, **we** may:
  - not pay that claim; and
  - recover (from **you**) any payments made in respect of that claim; and
  - terminate **your** insurance from the time of the fraudulent act; and
  - inform the police of the act.

If **your** insurance is terminated from the time of the fraudulent act, **we** will not pay any claim for any incident which happens after that time and may not return any of the insurance premium(s) already paid.

5. When **you** deal with **us** or **our claims handler** or the Medical Emergency Assistance Company **you** are acting on behalf of any other person(s) covered under this insurance.
6. Only all **insured persons** and **we** have rights under this insurance and it is not intended that any clause or term of this insurance should be enforceable, by virtue of the Contract (Rights of Third Parties) Act 1999, by any other person.

2. **You** must ensure that the medical certificate in the cancellation claim form is completed by the **doctor** of the person whose injury, **illness** or death has caused the cancellation.

#### **Sanctions**

**We** shall not provide any benefit under this insurance to the extent of providing cover, payment of any claim or the provision of any benefit where doing so would breach any sanction, prohibition or restriction imposed by law or regulation.

#### **Several Liability**

**PLEASE NOTE – This notice contains important information. PLEASE READ CAREFULLY**

The liability of an **insurer** under this contract is several and not joint with other **insurers** party to this contract. In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an **insurer**. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.
